Environmental Declaration – General Statement of RoHS Compliance

AtlasIED, a division of Mitek Corporation, is committed to providing our customers RoHS Compliant products and provide this overview statement confirming our products are in Compliance with Directive (EU) 2015/863 dated 4th June 2015 amending Annex II RoHS 2 (Directive 2011/65/EU called CE-marking directive) which aims to prevent hazardous substances from entering the production process and thereby keep them out of the waste stream. This information is intended to provide general guidance to the customers to help them to select compliant products.

If compliance certification on specific products is needed, we can provide such certification on request.

Legislation relating to the Restriction of Hazardous Substances (RoHS) in Electrical and Electronic Products require us to assure our customers of our compliance in this regard. We, AtlasIED, declare to the best of our knowledge, based on internal research, that our products do not contain the substances above the levels listed in Table 1. Therefore, item(s) comply with **EU RoHS (2015/863)**

Ⅹ Without exemptions   ☐ With exemptions described in **EU RoHS 2015/863/EU**
